OSHC News

The children have really enjoyed the various activities over the past fortnight. We celebrated Chinese New Year including decorating lanterns, made several creations with the Iron Me Beads, decorated a pig key ring, built Lego designs and created twisty balloon animals.

Last week, we continued working on our sustainability project for the term. The children helped plant tomato, coriander, parsley and onion seeds as well as sunflower seeds which will form the centre piece of the planter box. Our scarecrow is almost ready for installation.
