Dear Parents/Guardians of Year 3 and 4 students at CWPS for 2015,

Please find attached the minimum expectations for Home Learning tasks for all Year 3 and 4 students at CWPS. These expectations are also explained in each student’s Home Learning book.

We ask that parents/guardians discuss and sign off all Home Learning tasks as they are completed by your child/children. Parents are most welcome to assist their child/children with their work but are asked not do it for them. As mentioned in the explanation page, these are the minimum Home Learning expectations. Other Home Learning may be given from time to time.

Home Learning assists students by complementing and reinforcing classroom learning, fostering positive study habits and provides them with some responsibility for their own learning. It is not designed to create family stress. If possible sit down with your child/children and plan when they will do their home learning each week taking into consideration any other family commitments.

If you or your child/children have any questions regarding the Home Learning program please don't hesitate to talk to your child’s teacher.

Thanking you for working with us to provide your children with the best possible education.

The Year 3 & 4 Teachers.
